

# Attention Grant Reviewers Needed

The Michigan Department of Education (MDE) administers early childhood grant programs. Professionals in the field and parents who have an understanding of early childhood programs are needed to read and evaluate **Competitive Michigan School Readiness Program** grant proposals. **A reader session is scheduled for Thursday, June 12, 2008, and is being held in Lansing.** Copies of proposals are mailed to reviewers approximately two weeks before the reader session (it is imperative registered reviewers attend the session). **A reviewer question/answer session will be held with all readers via webinar/conference call shortly after grants are received.** Lunch will be provided and reviewers will be reimbursed for mileage.

**To avoid conflict of interest, please do not apply to review grants if your agency is competing for the grant. MSRP Competitive, Public School District/Public School Academy personnel can participate as readers.** If you are interested in reviewing proposals, please e-mail Patti Allman at: [allmanp@michigan.gov](mailto:allmanp@michigan.gov) or fax form to MDE by May 2, 2008. Once applications are received we will know exactly the number of readers needed. **MDE staff will contact you to confirm your participation.** Questions? Call: (517) 373-8483.
